Students login with their STRATA student ID (**lower case**) for both username and password. If a student changes their password and can't remember it email myames@ames.net.au and we will reset their credentials (please tell us their STRATA ID).

The image shows a screenshot of the myAMES login interface. At the top is the myAMES logo. Below it is the instruction "Please select the type of account you have." There are two main buttons: "AMES Staff" and "General Login". The "General Login" button is highlighted with a red arrow and includes the text "Clients, Volunteers, Partners and Subcontractors". Below this is the instruction "Enter your username and password." There are two input fields: "Username" and "Password". Red arrows point to both fields from the right, with the text "STRATA student ID all lower case" next to them. Below the input fields is a "Login" button. At the bottom, there is a link: [Forgotten your username or password?](#)
